Introduction

I am a motion graphics designer with over twelve years of experience, currently working as a 3D Artist for APM Monaco, a luxury jewelry brand. My skills cover a range of areas, including 3D animation, 2D motion graphics, graphic design, UX/UI design, and display design.

Throughout my career, I have collaborated with organizations such as Morgan Stanley, Siemens, the American Enterprise Institute, and Casetify, as well as government agencies like the European Union Immigration Office.
